This snug-able listening experience, inspired by a beloved children's story, combines classical vocalist Lori Brown Mirabal's enjoyment of teaching music to children with her imaginative stories and lovingly sung performances of original and global songs. Ideal for story time everywhere whether at home, in schools, in libraries or in children's hospitals. This compilation can also be performed live in concert.

Concept, Stories and Producer: Lori Brown Mirabal, Ed.D.
Recording/Mixing/Mastering: Edward B. Kessel at Sound Imagination
Graphic Design: Mariana Franzetti
